

**UHV-253A Information**

For Reference Only

**Part Number** [UHV-253A](#)  
**Manufacturer** TDK Corporation  
**Category** Capacitors  
[Ceramic Capacitors](#)  
**Description** CAP CER 400PF 50KV Z5T DISK  
**Package** Disk, Metal Fitting - Threaded

**Certified Quality**

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

**UHV-253A Specifications**

|                          |                                                  |
|--------------------------|--------------------------------------------------|
| Manufacturer Part Number | <a href="#">UHV-253A</a>                         |
| Manufacturer             | TDK Corporation                                  |
| Category                 | Capacitors<br><a href="#">Ceramic Capacitors</a> |
| Package                  | Disk, Metal Fitting - Threaded                   |
| Series                   | UHV                                              |
| Capacitance              | 400pF                                            |
| Tolerance                | ±10%                                             |
| Voltage - Rated          | 50000V (50kV)                                    |
| Temperature Coefficient  | Z5T                                              |
| Operating Temperature    | -30°C ~ 85°C                                     |
| Features                 | High Voltage, Low Dissipation Factor             |
| Ratings                  | -                                                |
| Applications             | General Purpose                                  |
| Failure Rate             | -                                                |
| Mounting Type            | Requires Holder                                  |
| Package / Case           | Disk, Metal Fitting - Threaded                   |
| Size / Dimension         | 1.339" Dia x 1.378" L (34.00mm x 35.00mm)        |
| Height - Seated (Max)    | -                                                |
| Thickness (Max)          | -                                                |
| Lead Spacing             | -                                                |
| Lead Style               | -                                                |
