Welcome to your BRAND NEW Drill Bits Catalogue, packed full of extensive product information, specifications and pricing structures.

Our Drill Bit Range has been significantly extended and improved to provide you with the right tool for the job. We have consolidated all of our new products and range extensions into one clear, concise and handy booklet.

Our range of Drill Bits now covers a variety of material applications including wood, metal, masonry and tiles, with multiple product options for each. Our Drill Bit range is now unquestionably one of the most comprehensive on the market.

WOOD DRILL BITS

Introducing the BRAND NEW range of Abracs Drill Bits for wood, used for drilling rapid holes through various wood material applications. Available in a range of sizes and types, including Brad Point, Flat Wood and Auger Drill Bits, sold in a variety of packaging solutions. All Abracs Wood Drill Bits allow the user to complete the job to an extremely high standard in no time at all.

FLAT WOOD DRILL BIT 5PC PACKS

Sometimes known as a Wood, Spade or Dowel Bit, the Abracs Flat Wood Drill bits are manufactured with extra hardened steel, featuring a central point and two raised spurs to keep the bit straight during drilling. A precision ground cutting face for high performance and a quick-chuck fitting for fast and easy bit change throughout any drilling job. Supplied in a hanging 5pc plastic tube.

BRAD POINT DRILL BITS

Abracs Brad Point Drill Bits feature a precision point, providing accurate positioning for the bit when starting the hole. These bits are precision ground, making them excellent for use in furniture making, dowelling, cabinetry and other woodworking applications where an exact hole size is required. The spur cutting edges reduce splintering and ensure a smooth, clean and precise exit hole with no blow out. Supplied in plastic pouches.

FLAT WOOD DRILL BITS

PRECISION POINT CENTERS BIT

SPURS SHEAR OFF WOOD FIBRES

PRECISION GROUND CUTTING FACE

AUGER DRILL BITS

Abracs Auger Drill Bits are spiral shaped, designed to produce clean, deep holes in wood material applications. Sharp spurs at the tip guide the bit into the wood ensuring a smooth and uniform hole throughout. Manufactured with high grade carbon steel and a centre point with screw resulting in less downward pressure being required for them to bite into the work piece. The wide deep flighting of these bits allows efficient removal of wood shavings and prevents the hole from becoming clogged. Supplied in a plastic tube. A 6pc kit is also available containing 6 of the most popular sizes, supplied in a handy wooden case.

HSS METAL DRILL BITS

Abracs range of Drill Bits for Metal include our HSS Titanium Coated, HSS Cobalt, Step Drill and our BRAND NEW HSS G Drill Bits plus a 6 piece Counter Sink Set. All available in a range of sizes and a variety of packaging solutions. All Abracs HSS Metal Drill Bits are manufactured with High Speed Steel for increased lifetime and are precision ground for high performance.

HSS TITANIUM DRILL BITS

Abracs HSS Titanium Drill Bits are precision ground for high performance. The reduced friction created by the Titanium Coating means these Drill Bits can last up to 3 x longer than standard HSS Drill Bits and are suitable for drilling a wider range of materials including Metal, Plastic and stainless steel. A key performance feature of Abracs HSS Titanium Pilot Drill Bits is their Split Point cutting head. The Split Point allows the drill bit to instantly grip the material resulting in higher precision, accuracy and significantly faster drilling speeds.

HSS COBALT DRILL BITS KITS

Abracs HSS Cobalt Drill Bits Kits are available in 19 & 25pc Kits including all popular sizes to suit all drilling applications. Supplied in a handy and durable metal case.

FOR USE ON	HARDENED STEEL	ALLOYS	CAST IRON	STAINLESS STEEL
------------	----------------	--------	-----------	-----------------

Specification	Pack Qty	Product Code	List Price
19pc HSS Cobalt Drill Bit Set Contents: 1-10mm (0.5mm Increments)	1	DBCKIT19	£53.95
25pc HSS Cobalt Drill Bit Set Contents: 1-13mm (0.5mm Increments)	1	DBCKIT25	£112.95

HSS-G DRILL BITS

Abracs HSS-G Drill Bits are precision ground for high performance. Best suited for use on common steel material applications, but will also cut plastic. Manufactured with a Split Point allowing the bit to instantly grip the material resulting in higher precision, accuracy and increased drilling speeds.

FOR USE ON	MILD STEEL	SHEET METAL	PLASTIC	STAINLESS STEEL
------------	------------	-------------	---------	-----------------

Specification	Pack Qty	Product Code	List Price
1.5mm HSS-G Drill Bit (10pcs)	10	HSSG015010	£4.13
2.0mm HSS-G Drill Bit (10pcs)	10	HSSG020010	£4.19
2.5mm HSS-G Drill Bit (10pcs)	10	HSSG025010	£4.96

Counter Sink Set	6	CSSET6	£68.98

BRAND NEW PRODUCT

Stay one step ahead of the game with the BRAND NEW Abracs Step Drill Bits. Maximising performance and efficiency, these bits come in a 3pc, handy and durable plastic case.

MASONRY

DRILL BITS

Abracs range of Drill Bits for masonry feature our SDS+ Masonry Drill bits and SDS+ Chisel kit, with the addition of the BRAND NEW SDS Max Drill Bits, SDS Max Chisels and Percussion Drill Bits. All available in a variety of sizes, types and packaging solutions. All Abracs Masonry Drill Bits and Chisels are suited to stone, bricks and concrete material applications.

SDS+ DRILL BIT TUBES

Abracs BRAND NEW SDS+ Drill Bits supplied in 10pc Tubes.

SOLID CARBIDE TIP

PRECISION GROUND FLUTE

SDS+ FITTING

SDS+ DRILL BITS

Abracs BRAND NEW SDS+ Drill Bits feature a solid carbide tip for precise drilling and added strength when cutting into the surface of the material. The hardened steel body reduces the chance of breakages, increasing product life time. The precision ground dual flute design enables easy dust and debris removal from the hole which significantly increases drilling speeds.

SDS MAX DRILL BITS

Abracs BRAND NEW SDS Max Drill Bits feature a solid carbide 4-cutter tip for added strength and excellent wear resistance when cutting into the surface of the material. The carbide tipped centring head provides precise cutting in concrete, reinforced concrete, limestone and masonry. A precision ground round flute offers quick and easy removal of dust and debris from the cutting hole and significantly increases drilling speed.

TILE DRILL BITS

The Abracs range of Tile Drill Bits has been designed for accurate, clean and precise cutting in a wide range of tiling applications. All products have been designed with the professional user in mind.

DRY DIAMOND TILE DRILL BITS

The range of Abracs Dry Diamond Tile Drill Bits are a tiles best friend. Built for precise and intricate drilling of granite, porcelain, tiles and mosaic. Featuring a wax coolant system and vacuum deposited multi layered diamond grit. The self-sharpening technology ensures these bits go harder for longer. Our Dry Diamond Tile Drill Bits have been rigorously tested and outperformed other leading brands.

Tile Pro Drill Bit 7.0mm x 100mm	1	TDP070	£7.56
Tile Pro Drill Bit 8.0mm x 120mm	1	TDP080	£8.18
Tile Pro Drill Bit 10.0mm x 120mm	1	TDP100	£9.83
8pc Tile Pro Drill Bit Set Sizes: 4-5-5.5-6-7-8-10mm	8	TDPSET8	£54.50

UNIVERSAL DRILL BITS

Abracs BRAND NEW Multi-Purpose Drill Bits fulfil a variety of needs, cutting a plethora of material applications with a single bit. Available in a range of sizes, these drill bits are a must for any tool box.

MULTI-PURPOSE DRILL BITS

The BRAND NEW range of Abracs Multi-Purpose Drill bits are designed to be the one bit you will need for multiple material applications, resulting in higher productivity and less downtime. Manufactured with a tungsten carbide tip (TCT) for precise drilling and added strength and a Diamond Ground cutting edges to enable multi-purpose drilling through virtually all construction materials.
